INSTRUCTIONS FOR POSTERS MAKING

- Posters must be printed in Powerpoint (.ppt), using the template available on the website and saved later in JPG format.
- **IMPORTANT:** When saving as JPG DO NOT MODIFY the size of the poster so that the printing resolution is optimal.
- Maximum 1 page per poster. In a single file, NOT in separate files.
- Recommended font size: 30, preferably not less than 20. Lower font sizes can make it difficult to read the poster correctly.
- Arial Font (recomendaded).
- Effects or Powerpoint animations are not allowed.
- Insert the images directly; do not use the link update.

INSTRUCCIONS FOR POSTERS UPLOADING IN JPG FORMAT

- Posters must be uploaded in JPG format.
- In order to save in JPG format, select FILE / EXPORT and JPG format.
- Then, click on save only 1 slide
- The poster will be saved inside the folder where your ppt was
- Do not forget to save the poster also in ppt format in case you want to make any change
